**Bio:**  
Rebecca Davies Adams provides financial and operational oversight to Belveron's real estate assets located on the East Coast. Prior to joining Belveron, Rebecca helped build the asset management function at Pennrose where she guided stakeholder decision-making by developing and tracking portfolio-level performance standards and restructuring the firm's annual budgeting process. She started her career with Wells Fargo underwriting and managing a portfolio of credit facilities secured by a range of commercial real estate asset types. Rebecca holds a BS in Finance with a concentration in Real Estate from Penn State University and returns to Beaver Stadium for every home football game each fall.
