Rebecka.Frate@tidwellgroup.com

Rebecka Griffin Frate is an Assurance Senior Manager in Tidwell Group's Johns Creek office with over seven years of public accounting experience. She has primarily specialized in the construction and real estate industries with an emphasis on low income housing tax credits and HUD-assisted projects. Rebecka has provided audit services to construction contractors, real estate funds, property level projects, governmental housing authorities, and not-for-profits.

Rebecka's responsibilities at Tidwell Group include performing and supervising numerous audit, review, compilation, and agreed-upon-procedures engagements in the industries specified above. These duties include leading all aspects of audit and assurance engagements from planning and risk assessment to financial statement preparation and engagement wrap up. Rebecka's experience and outstanding client service has allowed her to provide high-quality product and individualized service to each client.

Rebecka graduated with a B.S. in Accounting from Auburn University. She is a licensed certified public accountant in the state of Georgia.
