Bio:
I entered the affordable housing arena in September 2004 and have nearly 20 years of experience in affordable housing and public finance law (low-income housing tax credits, private activity tax-exempt bonds, HOME, Housing Choice Vouchers, mortgages, etc.) in addition to areas of law relevant to in-house counsel (procurement, human resources, etc).

I started my work in affordable housing at the South Carolina State Housing Finance and Development Authority where during my tenure as General Counsel I also managed the Compliance & Quality Control Department from 2019-2022 and the Human Resources Department from 2017-2021.

In August of 2022, I joined Moore & Van Allen PLLC to continue my affordable housing practice by representing developers of affordable housing.
