Speaker Description

Moore has worked in affordable housing and community development finance for over a decade. She previously served as the New York market lead at the Corporation for Supportive Housing (CSH) where she managed a \$120 million investment portfolio to drive housing policy and meet revenue goals. Prior to CSH, Moore held positions at Community Solutions and Breaking Ground, two non-profit developers, where she provided leadership in planning, financing and the acquisition and construction of community facilities and mixed-income housing projects.

At LIIF, Moore will oversee funds including the \$243 million Golden State Acquisition Fund, \$28 million Fund to Preserve Affordable Communities and \$13 million D.C. Preservation Fund.
